

**Amendments to the Specification:**

Please add the following, between lines 2-3, on page 1 (immediately following the title):

**CROSS REFERENCE TO PRIOR APPLICATION**

[0000.1]This application claims priority to a Patent Application filed in Taiwan, R.O.C., having application number 092100925, filed January 16, 2003, entitled "Insulation Displacement Connector And Manufacturing Method Thereof". This priority claim is made under 35 U.S.C. 119, as per an agreement signed between the United States and Taiwan on April 10, 1996.
